

Be Still [Lyrics, 72 bpm, 4/4]

[Default Arrangement] by Annika Bovender

Intro

Verse 1

Lord you sent me to the deep
But then you followed me
I was afraid of where you'd lead
So you showed your face to me

Chorus

Be still my soul
Be still my soul
The wind it shall give way
Be still my soul
Be still my soul
The waves they shall obey
Yahweh

Verse 2

The water rose I doubted thee
But still you reached for me
My gaze transfixed on you my king
From fear I am set free

Chorus

Be still my soul
Be still my soul
The wind it shall give way
Be still my soul
Be still my soul
The waves they shall obey
Yahweh

Bridge (x4)

Come have your way here
Come have your way here
I'll trust your way
I'll walk by faith
When I can't see

Chorus (x2)

Be still my soul
Be still my soul
The wind it shall give way
Be still my soul
Be still my soul
The waves they shall obey
Yahweh
