

How Far You'd Go [Lyrics, 140 bpm, 4/4]

[Default Arrangement] by Annika Bovender, Matthew Granger

Intro

Verse

You are the Father who treasures my weakness
For I'm the treasure you continually seek
You are relentless in my pursuit
Though I could never deserve your love for me

Chorus

There is no definition
That could ever come close
To how you love me
To how you love me
And there is no distance
That could ever describe
How far you'd go for me
How far you'd go for me

Verse 2

You are the lion who roars at my battles
Your love defends your will for me
For you are with me, I fear no evil
My God you fight for me

Chorus (x2)

There is no definition
That could ever come close
To how you love me
To how you love me
And there is no distance
That could ever describe
How far you'd go for me
How far you'd go for me

Bridge (x2)

I'm treasured
Beloved
And chosen
I'm wanted by you Lord

Chorus (x2)

There is no definition
That could ever come close
To how you love me
To how you love me
And there is no distance
That could ever describe
How far you'd go for me
How far you'd go for me
