

# Life Devoted [Lyrics, 123 bpm, 4/4]

[Default Arrangement] by Annika Bovender

## Intro (x2)

### Verse

I've tried to say  
You alone are worthy  
I've tried to put you first

And I've failed every time  
When I do it on my own strength  
But through your grace you've called me yours

## Intro

### Chorus

So I'm here  
Life devoted  
Arms wide  
Heart open

### Verse

Your love is all I need  
In this life and I will follow  
Where you call, my life is yours

So I'm here to lay it down  
All that I could put before you  
So you alone can have my heart

### Chorus

So I'm here  
Life devoted  
Arms wide  
Heart open  
I'll stand tall  
Unashamed  
Of Jesus Christ  
The King of Kings

### Bridge

The King of Kings  
The King above all Kings  
The King above all Kings

The King above all Kings  
The King above all Kings  
The King above it all

### Chorus

So I'm here  
Life devoted  
Arms wide  
Heart open
