

My Brokenness [Lyrics, 112 bpm, 4/4]

[Default Arrangement] by Annika Bovender

Intro

Verse 1

I've been taught how to talk to you
Shown what words that I could bring to you
As if you can't take what's on my mind
Or you couldn't handle hopeless cries

Chorus

But you love me in my brokenness
You pull me close through all of it
Your heart breaks along with mine
I'm not alone here in this fight
You love me in my brokenness

Verse 2

You hear the words that I can't speak to you
On darkest days when I don't turn to you
When the world is far too much to take
And I'm ashamed to seek your face

Chorus

But you love me in my brokenness
You pull me close through all of it
Your heart breaks along with mine
I'm not alone here in this fight
You love me in my brokenness

Bridge

So I'll give it all to you
When it's easier to run
I lift my broken prayers to you
Because the fight's already won

Chorus (x2)

For you love me in my brokenness
You pull me close through all of it
Your heart breaks along with mine
I'm not alone here in this fight
You love me in my brokenness
