

This is My Outpour [Lyrics, 148 bpm]

[Default Arrangement] by Annika Bovender, Andrew Kurtz

Verse 1

I'm longing for your love, Lord
Your goodness, your patience, and peace
I'm here with only brokenness
But here is where you've promised to be

PreChorus

Come fill our hearts
til it's our overflow
Come fill our hearts
Lord we want more

Chorus

I pour it out for you my Father
I lift my best before you
You're all I need
You're all I need

Verse 2

Have me be your vessel
A fire that burns for your truth
In all my life, be glorified
And let the world see only you

PreChorus

Come fill our hearts
til it's our overflow
Come fill our hearts
Lord we want more

Chorus

I pour it out for you my Father
I lift my best before you
You're all I need
You're all I need

Bridge (x4)

This is my outpour
This is my song
I will praise you
I will praise you, Lord

Chorus(x2)

I pour it out for you my Father
I lift my best before you
You're all I need
You're all I need
