

To Worship You [Lyrics, 130 bpm, 4/4]

[Default Arrangement] by Annika Bovender

In the midst of the storm you heard my prayers
In the valley so deep, you were always there
When I turned away, you waited patiently
While I thought I was lost, you paved a way for me

So I lift my voice
I turn my eyes
I'll give it all for you my Christ
A humble heart in sacrifice
I'm laying down all I am
To worship you
To worship you

From the deepest of graves, you gave me grace
With the richest of loves, you took my place
You've given me life and ransom paid
You bore it all, so I could be saved

So I lift my voice
I turn my eyes
I'll give it all for you my Christ
A humble heart in sacrifice
I'm laying down all I am
To worship you
To worship you

Walkdown
I am your servant
Where you need me to be, I'll go
Walkdown
If it means my life, Lord
I'll lay it down on your throne

Walkdown
I am your servant
Where you need me to be, I'll go
Walkdown
If it means my life, Lord
I'll lay it down on your throne
I'll lay it down on your throne
I'll lay it down on your throne

And only lift my voice
And turn my eyes
I give it all for you my Christ
A humble heart as sacrifice
I'm laying down all I am
I'm laying down all I am
I'm laying down all I am
To worship you
To worship you
